

**Burnt Hickory
Baptist Church**

Pack 353 - Mountain Lake District
Pinewood Derby Car Registration Form

Instructions: Please fill out one form for each car entered. Cars must meet size and weight requirements. It is recommended that you build the car slightly underweight and add weight at the Pit Stop if necessary. This is easier than removing weight. Cars that weigh more than the legal limit may still run on the track but will run as a disqualified racer.

Please include a cell phone number in the event we need to reach you prior to your race time.
