I'm in! What's next?

We will have the New Parent Orientation Meeting on Monday, September 12 at 7 p.m. at Burnt Hickory Baptist Church (2nd floor). **All new parents must attend this meeting!** This is where you will find out how Cub Scouting works, what den your boy will be in, and who his Den Leader will be. The Tiger Cub Den (1st grade) will be formed at the meeting.

We will provide a separate area to supervise Scouts and siblings so that you can fully participate in the orientation while the kids enjoy a movie!

As soon as your boy is assigned to a den, your Den Leader will contact you to let you know when your next den meeting will be held.

Dens are made up of 6 to 12 boys of the same rank (grade) and usually meet twice per month on the 1st and 3rd Mondays. However, the Den Leader and parents may choose the day, frequency, and location of den meetings to suit their needs.

Depending on when you sign up, there may be Den and/or Pack meetings occurring before Parent Orientation. We encourage you to attend these meetings even if you're not sure of your Den assignment or don't have all of your "stuff"!

If you have any questions, please visit our web site or contact one of the leaders on the front of this flyer.
